MEMORANDUM FOR: Deputy to the DCI for the Intelligence  
Community

SUBJECT: Recall of SIC publication

1. An SIC<sup>o</sup> report related to Soviet ASW was disseminated on 29 July in limited numbers. At the request of the Secretary of Defense the report was recalled beginning on 31 July. Fortunately, most copies were recovered in transit and few actually reached the designated recipients. I wish to report that all copies have now been returned.

2. Admiral Inman and I are preparing an even more restricted dissemination list on a strict need-to-know, named-addressee basis. The list will be approved in Mr. Schlesinger's office prior to the dissemination of the reports.
